Arthur Sibanda
UI/UX & Graphic Designer

Professional Profile

Highly motivated and creative UI/UX designer with 4 years of experience crafting intuitive, user-centered digital experiences. Passionate about merging art and technology to drive engagement, conversion, and growth

Work Experience

Junior / UI/UX Product Designer   JAN 2024 - PRESENT

ClickUp Tech - Remote

As a UI/UX designer, I've worked on diverse projects spanning websites, mobile apps, and SaaS platforms. Collaborating directly with clients, I gain insights into user needs, business objectives, and product goals. Leveraging this understanding, I craft elegant solutions that integrate user experience, business strategy, and product functionality.

UI Designer   APR 2023 - JAN 2024

Greenhouse - Freelancer

As a self-initiated project, I designed Fresheats, a mobile app guiding individuals towards a more sustainable and healthy lifestyle. This personalized companion encourages taking healthy habits, and connects users with local green initiatives companies to eat healthy.

Fresh Eats Delivery App

UI/UX Designer   FEB 2023 - APR 2023

CoCo Interior - Freelancer

As a UI/UX designer, I was commissioned by Coco Interior to lead the design and development of their Residences, a luxurious and sustainable residential complex. This project aimed to create a harmonious balance between modern living and environmental stewardship.
